Parents...Please remember that if your child is running a fever, has diarrhea or vomiting or has green nasal discharge, they must be symptom free for 24 hours before they can return to school. We are in the middle of cold and flu season, so please make sure your child washes their hands regularly and if they are not feeling well, please keep them home. I know that is hard, but it helps to keep everyone well and we won't be spreading germs to one another. Also remember that the front portico area is not for drop off or pick up. Please park in the parking lot and walk your child in each day. Please DO NOT use this area for parking. If you ever have any questions or comments, please let me know. Thank you for allowing us to be part of your child's life!

God Bless...Ms. Sherry
